

One day tour to Nusa Penida

01

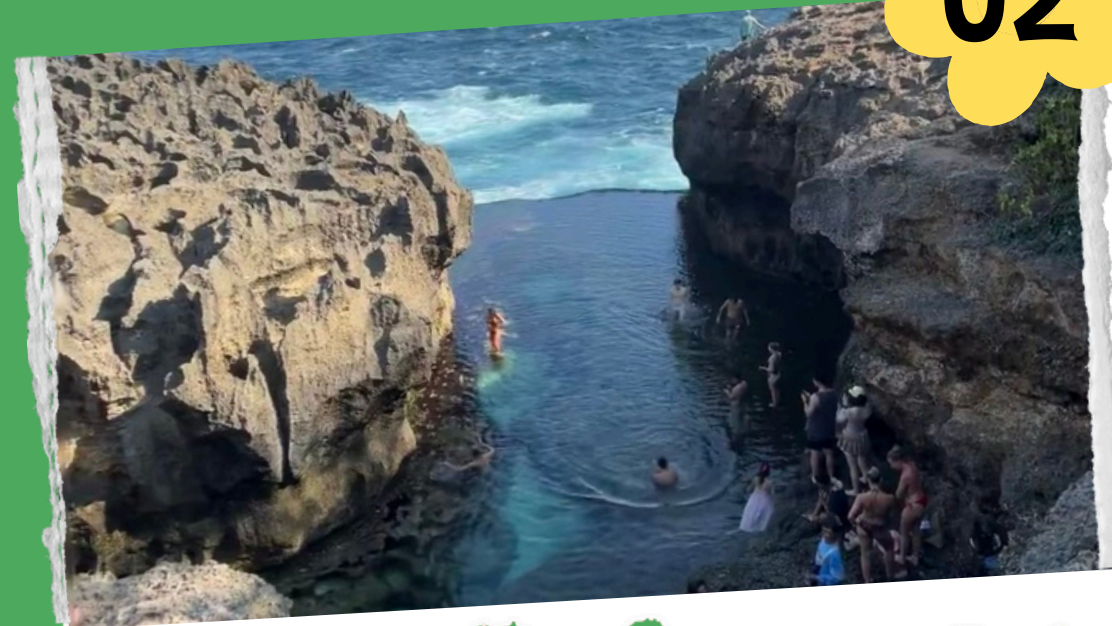

Kelingkin Beach

Unique cliff sea views and peculiar coastline landscapes. This is also a filming location for Apple wallpapers.

Angle's Billabong

Due to the erosion of waves, a volcanic rock infinity pool has been created. Outside is a vast blue sea.

02

03

Broken Beach

Natural stone arches on the sea. It is a beautiful scenery left over from millions of years of volcanic geological activity.

Crystal Bay

A beautiful bay located on the west coast, renowned for clear seawater and abundant marine life.
