Director
Road and Bridge Research Institute, Poland
murbanski@ibdim.edu.pl

Dr. Bilal Khalid
Lecturer
KMITL Business School, Thailand
bilal.kh@kmitl.ac.th

We invite scholars of Business, Management, Accounting, and the Environment to present their most recent studies that are related to the theme of the conference. This prestigious event is organized with the goal of providing an excellent international platform and opportunity for stakeholders from academia institutions, research institutes, managers, industrial participants, students and other professionals interested in the conference theme to share their research findings with global experts during the conference. All full paper submissions will be peer-reviewed and assessed of authenticity, analytical and/or research depth, accuracy, and relevance to the conference theme.

Submissions are being accepted for the following conference topics: Business, Management, Finance, Banking, Economics, and Sustainability. Other related tracks and topics will be considered as well especially if the authors are able to show how the topic links with the overall conference themes.

The Conference Committee will review submitted abstracts as soon as possible, usually within one (1) week after submission. Once the abstract is accepted, the author(s) should submit the full text paper to be presented. The full text is expected to include the results, tables, figures, and references employed in the proposed conference paper. Regardless of the type of research paper to be presented, all submissions should report original and previously unpublished

research materials. The Electronic Submission Form will accept full-text papers (.docx and.doc). Manuscripts must follow the format established by the Conference committee in order to be able to make submissions.
